To think about...

- What is your relationship like with your earthly father? If distant or dysfunctional, did you try to improve it? What happened?
- How is your relationship with your heavenly Father like the one with your earthly dad—and how is it different?
- Read 1 John 3:1. If you're a follower of Jesus, list some of the ways God's shown you that He loves you.
- When you ponder the suffering and death Jesus endured, how does it affect you?
