"3 Circles" notes

To think about...

- READ 1 Peter 3:15. Are you ready? If not, what still needs to happen before you feel ready?
- Some Christians wonder if the “preaching” and “telling” commands in the Bible are just for ministry professionals like pastors, preachers, evangelists, or missionaries. After reading Ephesians 4:11-12, make a case that that’s inaccurate.
- Have you thought that you could do evangelism without “speaking” the gospel? Why? Read Romans 10:14-15 without limiting the people in view to foreign missionaries. What do you think now?
- Practice the 3 Circles with someone else in your family.
