“Wolfproof your **Life**”

Think about this...

- Read 1 Kings 13:1-22. In verse 9 what did God tell the prophet NOT to do?
 - How did he get into trouble?

 - Why do you think the prophet disobeyed?

 - Recall an instance in your life when you listened to someone else’s advice and later discovered it clashed with God’s. What happened?

 - If you were to recommend 3 books of the Bible to a newer Christian to master (know and understand well), what would they be and why?
