*Read through Hebrews 11. What are the things that most stick out to as you read through it? What are the things that are confusing or that you have questions about?*

*What are some ways that the Christian life can be compared to running a race?*

*What are some areas in your own life where you may be tempted to give up? Why does it feel easier to give up in this area than to keep going?*

*How would you define faith? How is biblical faith different than what our culture says about faith?*

*Where in your own life do you struggle with feeling pessimistic or hopeless? How can faith in God help us to be people of hope?*

*How can God's approval, God's presence, God's power, and God's promises help you to endure in some area of life that is difficult or challenging?*

*Where has your faith in God led you to obey Him? Where is your faith in God currently leading you to obey Him?*

*What are some ways living as a Christian in this world may make us look or feel strange? How have you experienced this? How can remembering that this world is not your home help you when you feel this way?*

*How often do you think about Heaven? How can thinking about Heaven help us to endure? Spend some time this week intentionally thinking about Heaven and the future God has promise to us.*
